### Superintendent's Report

The Windham School District continues to work toward a short-term and long-term facility solution many of which were presented at the School Board meeting on December 7, 2010. As a result of this presentation, many questions from various individuals and groups have been asked, therefore we have created a Frequently Asked Questions document on the school district website under Facilities Planning <http://www.windhamsd.org/schbdinfo/facilitiesfaq.cfm> This FAQ document is designed to provide you with additional information on the current state of our facilities and the positive and negatives of many of the short-term options that the School Board will be considering at their next meeting on **Monday, December 20, 2010** at the Windham High School auditorium.

Mark your Calendars: The district will be hosting a Wellness Fair on **January 19, 2011** at Windham High School from 7-8 PM for students, parents and the community. Come find out more about living a healthy lifestyle at all ages!
