## Fired Up For Cheerleading

Lynn Dizazzo Prsch.-1 GBSC 8:30-11:00 [lynndizazzo@hotmail.com](mailto:lynndizazzo@hotmail.com)

Give me a C-H-E-E-R-L-E-A-D-E-R!!! What does that spell? Cheerleader! This is an exciting camp experience for active kids interested in learning a few cheers, stunts, dances and flips. This camp is designed especially for this age group with lots of cheerleading, dance and gymnastics activities as well as lots of fun and games. Camp is suitable for all ability levels-girls and boys with no cheer experience as well as returning campers or those with a cheer background. Be sure to join us on the last day of camp at our Cheerleading Spectacular Showcase for friends and family! There is an additional \$5.00 fee for materials.

## Fun Fitness

Lynn Dizazzo Gr. 5-8 GBS 11:30-2:00 [lynndizazzo@hotmail.com](mailto:lynndizazzo@hotmail.com)

At this age, girls become aware and concerned with their bodies, and often don't know how to take care of their bodies in a healthy way. During this camp, girls will learn that balance is the key to being fit and having fun. We'll talk about nutrition and even cook up some tasty, easy, and healthy snacks. We'll also talk about exercise and practice working out the right way—focusing on proper technique, playing active games, and having FUN.

## Computer Playhouse I

Kelly Masiello Gr. K-1 GBS 8:30-10:30 [kmasiello@comcast.net](mailto:kmasiello@comcast.net)

This course is for the incoming first grader. Give your child an opportunity to meet others, engage in hands-on learning activities, interact with peers and browse many learning and creative websites. This is a great way to help them prepare for first grade. Let's have some fun...their journey has just begun!!!

## Intriguing Experiments: Is it Science or Magic?

Pamela Mansfield Gr. 1-3 GBS 8:30-11:00 [pmansfield@pelhamsd.org](mailto:pmansfield@pelhamsd.org)

Do you love science? If you do then come join us for a great week of fun experimenting with science activities, incredible secret formulas, disappearing acts, and many other concoctions. This camp will challenge your mind with many hands-on activities that link science and imagination together!

## Creative Arts and Crafts

Pamela Mansfield Gr. 1-3 GBS 11:30-2:00 [pmansfield@pelhamsd.org](mailto:pmansfield@pelhamsd.org)

If you love making art projects and are very creative this is the camp for you! Art cultivates imagination and nurtures creativity. It also enhances problem solving and critical thinking skills. We will create many fun and exciting art projects while engaging all of our senses and incorporating them into our artwork. We will work with paper mache, tie-dye, model magic, and many other materials. Join us and have fun making many exciting art projects with friends!

## Weather Science and Predicting

Adam Giarusso Gr. 3-5 WCS 8:30-11:00 [agiarrusso@windhamsd.org](mailto:agiarrusso@windhamsd.org)

Here we will carry out several science experiments and the reasoning behind them. We will make a volcano, learn how to extinguish a candle without blowing on it and other experiments taking place outside. Maybe it will even be hot enough for us to fry an egg outside!!

## Guitar Basics

Joel Burdette Gr. 4-8 WCS 8:30-11:00 [jburdette@windhamsd.org](mailto:jburdette@windhamsd.org)

This camp is for beginner and novice guitar players. Learn about the guitar and how to play it successfully. Students will learn about the parts of acoustic and electric guitars, and how to tune them, care for them, and change strings. Campers will learn beginner chords and strums, and how to properly practice to see fast improvement. Campers will learn several notes on the 1<sup>st</sup> 3 guitar strings. Campers also will learn how to read tablature ("tab") and where to find it on the web, as well as how to use the internet for free self-teaching guitar lessons. Campers must borrow or bring their own guitar to class (acoustic guitar with either steel or nylon strings, or an electric guitar with amplifier). Optional: bring a guitar tuner or spare strings, if you have them.

## Mountain Biking

Joel Burdette Gr. 4-6 WCS 11:30-2:00 [jburdette@windhamsd.org](mailto:jburdette@windhamsd.org)

Learn about fixing, maintaining, and skillfully riding your mountain bike, on the trail and over jumps & an obstacle course. Join us for trail rides through the woods on local off-road trails. Take a field trip to ride the trails at Foster's Pond (at the Nashua Road athletic fields). Learn basic maneuvers to get around and over obstacles. Participate in skill-building drills and an obstacle course, including ramps and small jumps. You'll learn trail etiquette and how to be prepared with tools, map reading, and first aid. Get to know the parts of your mountain bike and how to maintain it. Clean and repair parts. Fix common problems, including fixing a flat tire on the trail. Enjoy bike rides and come away with some lessons to practice and a feeling of improvement in your riding and maintenance skills. Bring a helmet, bicycle in good working order (mountain bike is best; an off-road BMX-type bike is also okay), water bottle, snack, and hip or backpack. You may leave your bike at school (inside) for the week, if desired.

## **Beginner and Intermediate Tennis**

Ashley Moore Gr. 4-8 WCS 8:30-11:00 [amoore@windhamsd.org](mailto:amoore@windhamsd.org)

Explore the game of tennis with an experienced player. This is a low pressure course for those interested in learning the basics of tennis or just wanting to practice their skills. The class will take place in the Center School gym. Beginners will have the opportunity to learn the basics of tennis while intermediates will have time to practice their skills with other players. Students will need to bring their own rackets and balls.

## **Have A Ball!**

Ashley Moore Gr. 3-6 WCS 11:30-2:00 [amoore@windhamsd.org](mailto:amoore@windhamsd.org)

Explore the world of ball games! Campers will enjoy a variety of sports and games that involve a ball. Games will include four-square, kickball, whiffle ball, croquet, and touch football.

## **RoboAdventures: Training Missions and Wars**

Rita Testa Gr. 3-6 WCS 8:30-11:00 [rtesta@windhamsd.org](mailto:rtesta@windhamsd.org)

Come and be introduced to the exciting world of robotics with the ROBOAdventures kits. Campers will complete training missions and learn to program their robot. Your robot will challenge the strength and intelligence of other robots in various competitions. It is sure to be a good time for all! (Robots will not be brought home.)

## **Caramba Soccer Camp (Monday-Friday)**

Jorge Pardo Gr. 1-8 WMS 5:00-8:00 [skillscamp@aol.com](mailto:skillscamp@aol.com)

Our emphasis is on "THEME" training sessions that will be introduced to the players each day. Topics such as Defending, Attacking, Possession, Positional Play, Goalkeeping, Finishing, and Skill Development are our main focus. Our diverse staff will provide the necessary teaching tools for the development of everyone at camp. A SEPARATE REGISTRATION AND PAYMENT IS REQUIRED, DO NOT SEND TO WINDHAM SUMMER CAMP!
