

**SUMMER CAMP 2011
COURSE DESCRIPTIONS**

Thursdays: June 30th-July 28th

1A. Introduction to Martial Arts

Joe Costa Gr. 1-5 KI 9:00-11:00 karatejoe03848@yahoo.com

These introductory classes to Martial Arts will be held at Karate International, 60 Rockingham Road, Windham. Karate International is dedicated to the highest quality of martial arts training. We are committed to continually enhancing our program to address exercise, drills, safety tips and a realistic approach to self-defense situations. We "Build Confidence Through Achievement" and provide an environment conducive to positive relationships, fostering self-discipline and self-confidence and self-respect."

Monday, June 27th-Thursday, June 30th

1. Singing, Dancing and Drama

Eric Graff Gr. 1-3 GBS 8:30-11:00 egraff@windhamsd.org

Campers singing songs and simple dances, then put them together into a dramatic production of their own creation! For children entering Grades 1-3.

2. Music Fun-N-Games

Eric Graff Gr. 1-3 GBS 11:30-2:00 egraff@windhamsd.org

Action packed fun musical games and activities! Singing, dancing, xylophone, scarves, bodysocks, and puppets! A nice "sample" from all Mr. Graff's camps.

3. Summer Fun In The Art Room

Jen Proulx Gr. 2-3 GBS 8:30-11:00 jproulx@windhamsd.org

The campers will create "make and take" art projects throughout the week. They will work with different media and art techniques to create treasure boxes, books, origami, cards, Styrofoam prints, sun prints, and clay projects. There is an additional \$10.00 fee for materials.

4. Summer Fun In The Art Room

Jen Proulx Gr. 2-3 GBS 11:30-2:00 jproulx@windhamsd.org

The campers will create "make and take" art projects throughout the week. They will work with different media and art techniques to create treasure boxes, books, origami, cards, Styrofoam prints, sun prints, and clay projects. There is an additional \$10.00 fee for materials.

5. The Magic of Science

Nancy Costa-Dallaire Gr. K-1 GBS 8:30-11:00 ndallaire@windhamsd.org

Would you like to be a scientist? We will have a wonderful week full of all sorts of experiments, crazy potions and fun with magnets! Come and join us if you are an incoming kindergartner or 1st grader.

6. Learn To Ride A Bike

Cindy Morrison Gr. 1-up GBS 8:30-11:00 cmorrison@windhamsd.org

Betsy Purcell Gr. 1-up GBS 8:30-11:00 bpurcell@windhamsd.org

For children 6 years and older, fun movement, balance and joint activities will be presented first to ready your child's body for the challenge of riding a bike. Bike riding will be taught in a sequential manner: feeling the balance, add pedaling, riding in a straight line, add turning and going for a bike ride on school grounds. Bikes may be brought to the first day, helmets are mandatory, no training wheels. Students are welcome to bring a snack and drink.

7. Girls' Night!

Lynn Dizazzo Gr. 1-3 GBS 8:30-11:00 lynndizazzo@hotmail.com

Sign up for loads of girly fun with this camp! During the week, we will explore all kinds of activities that make a playdate or sleepover a smashing success! We'll groove to some fun new dance moves, channel our creative sides with some funky arts and crafts, learn how to make kid-friendly and tasty party snacks, and play lots of fun-filled games! All campers will take home a treasure box at the end of camp filled with all sorts of new-found ideas—a CD for dancing up a storm, recipes for our party treats, directions for games and arts and crafts—all to enjoy with friends and family after camp! There is an additional \$5.00 fee for materials.

8. Beginning and Intermediate Lacrosse For Girls

Kyleigh and Chris Keating Gr. 3-5 WMS 8:30-11:00 laxattax11@juno.com

Lacrosse is fast becoming a very popular sport! In this class, campers will learn skills needed for catching, throwing and stick handling. Once this is established, girls will learn specific game rules through relays and scrimmages. If your child would like to have a great time learning a new sport, this is the class to choose.

9. Floor Hockey

Kyleigh and Chris Keating Gr. 3-5 WCS 11:30-2:00 laxattax11@juno.com

Come and experience the opportunity to participate in a floor hockey camp. Skills will be taught throughout the week from puck handling, passing, defense, and offense. The focus of the week will be teamwork. We will develop these skills through drills, one on one, two on two, and full games. At the end of the week, there will be a tournament to conclude the session.

10. Have A Ball!

Ashley Moore Gr. 3-6 WCS 8:30-11:00 amoore@windhamsd.org

Explore the world of ball games! Campers will enjoy a variety of sports and games that involve a ball. Games will include four-square, kickball, whiffle ball, croquet, and touch football.

11. Daring Experiments for Young Scientists

Ashley Moore Gr. 3-5 WCS 11:30-2:00 amoore@windhamsd.org

Students will explore amazing experiments that snap, crackle, pop, ooze, crash, boom and stink! Throw yourself into these funny, eye-opening, quirky experiments and see where they take you! There is an additional \$3.00 fee for materials.

12. I Spy Domino Physics

Linda Satkwich Gr. 3-5 WCS 8:30-11:00 lsatkwich@windhamsd.org

Design and build chain reactions using dominoes, marbles, tracks, mechanical toys, electronic devices, and other supplies. Recreate I Spy patterns or make your own. Figure out what you can make your dominoes to do as they fall! There is an additional fee of \$5.00 for materials.

13. CSI

Linda Satkwich Gr. 3-5 WCS 11:30-2:00 lsatkwich@windhamsd.org

Put your detective skills to work. Each day solve new crimes using handwriting analysis, fingerprint analysis, "blood" splatter analysis, as well as many other forms of investigative techniques. Make your own CSI badge and receive a crime scene kit. Learn scientific inquiry and put your skills to the test as you try to get to the bottom of each crime. ****All crimes are G rated!**** There is an additional fee of \$5.00 for materials.

14. Robotics!

Rita Testa Gr. 4-6 WCS 8:30-11:00 rtesta@windhamsd.org

Come and be introduced to the exciting world of robotics with the robotic kits. Campers will complete training missions and learn to program their robot. Your robot will challenge the strength and intelligence of other robots in various competitions. It is sure to be a good time for all! (Robots will not be brought home.) There is an additional fee of \$10.00 for materials.

15. Hair Ye! Hair Ye!

Cyndy Caron Gr. 3-5 WMS 8:30-11:00 sammcaron@comcast.net

This camp talks about hair, skin and nails. We use sanitized materials by a licensed instructor. Anything you want to know about your hair that only a professional knows. Please join in the interactive fun of doing hair in partners and nail art as well. Fun class with a beauty bag at the end customized for your hair. There is an additional fee of \$5.00 for materials.

16. Hair Ye! Hair Ye!

Cyndy Caron Gr. 6-8 WMS 11:30-2:00 sammcaron@comcast.net

This camp talks about hair, skin and nails. We use sanitized materials by a licensed instructor. Anything you want to know about your hair that only a professional knows. Please join in the interactive fun of doing hair in partners and nail art as well. Fun class with a beauty bag at the end customized for your hair. There is an additional fee of \$5.00 for materials.

17. Novel Writing

Michelle McCorkle Gr. 6-12 WMS 8:30-11:00 mmcorkle@windhamsd.org

Have you ever dreamed of writing a novel? Here's your chance! Learn some techniques authors use to organize story ideas and create dynamic and static characters, memorable settings, and set the pace of your plot to keep readers hooked.

18. Volleyball for Beginners

Karen April Gr. 4-5 WMS 8:30-11:00 karen_april@mzcs.org

Campers will be learning volleyball techniques from coaches who include a Division I College Player trained in the Gold Medal Squared Method of Volleyball! Daily drills will include bumping, setting, spiking and passing. Campers will learn court positions, rules of the game as well as some basic nutritional information to help keep them fit. Bring a water bottle and a snack!

19. Advanced Volleyball

Karen April Gr. 6-8 WMS 11:30-2:00 karen_april@mzcs.org

Please see course above for description.

20. Windham Baseball School

Derek Lee Ages 6-9 WHS 8:30-11:00 dlee@windhamsd.org

This camp is an opportunity for baseball players ages 6-9 to refine their skills while having fun! Windham High School Varsity Coach Derek Lee with assistance from former Atlanta Braves Scout Jim Bail, will teach campers not only the fundamentals of the game, but also the smart way to play the game. Windham High School players will serve as the campers' coaches. There will be a very low camper to coach ratio, which allows for more 1 on 1 instruction. Campers will also get the opportunity to participate in a game at the end of every day. Campers will be divided into a 6-7 year-old division and an 8-9 year-old division.

21. Basketball Camp for Girls I

Joe Mancinelli Gr. 4-5 WHS 8:30-11:00 jmancinelli@windhamsd.org

Coach Mancinelli is the girls' basketball coach for Windham High School and is offering a fun and exciting basketball camp for girls. Skills, drills and games will be the theme for the week while playing in the new high school gym. Come learn to take your game to a new level!

22. Basketball Camp for Girls II

Joe Mancinelli Gr. 6-8 WHS 11:30-2:00 jmancinelli@windhamsd.org

Coach Mancinelli is the girls' basketball coach for Windham High School and is offering a fun and exciting basketball camp for girls. Skills, drills and games will be the theme for the week while playing in the new high school gym. Come learn to take your game to a new level!

Monday, July 5th-Thursday, July 8th

23. Let's Be Musicians

Eric Graff Gr. 2-3 GBS 8:30-11:00 egraff@windhamsd.org

Campers will play all sorts of fun instruments sing simple songs and play musical games. This camp is designed for younger musicians going into first or second grade.

24. Music Fun-N-Games

Eric Graff Gr. 1-3 GBS 11:30-2:00 egraff@windhamsd.org

Action packed fun musical games and activities! Singing, dancing, xylophone, scarves, bodysocks, and puppets! A nice "sample" from all Mr. Graff's camps.

25. Science Concoctions

Michelle Borovich Gr. 2-4 WCS 8:30-11:00 mchelb68@yahoo.com

Have fun with science getting reactions. Grow crystals, volcanoes, make a penny green, and many more fun activities!

26. Get Up And Play

Michelle Borovich Gr. 2-4 WCS 11:30-2:00 mchelb69@yahoo.com

Start your day with fun games! Let's play newcomb, whiffleball, kickball and a different activity everyday!

27. Glogster

Linda Satkwich Gr. 3-5 WCS 8:30-11:00 lsatkwich@windhamsd.org

Design and create your very own original "Glogster" interactive posters. Glogs are online multimedia posters that can include text, photos, videos, graphics, sounds, drawings, data attachments and more. Upon completion posters may be accessed through Mrs. Satkwich's Moodle page and a DC will be given to each student. To review samples visit www.glogster.edu.

28. Invention Convention

Linda Satkwich Gr. 3-5 WCS 11:30-2:00 lsatkwich@windhamsd.org

Students are challenged to design new inventions. These inventions can be anything that will make life easier or something you which existed. Depending on progress, we can make new inventions each day or take multiple days to complete more ambitious inventions. We will learn about what makes a good invention and how to market an invention. Marketing can involve creating jingles or a commercial in order to promote your product.

29. Beginner and Intermediate Tennis

Ashley Moore Gr. 4-8 WCS 8:30-11:00 amoore@windhamsd.org

Explore the game of tennis with an experienced player. This is a low pressure course for those interested in learning the basics of tennis or just wanting to practice their skills. The class will take place in the Center School gym. Beginners will have the opportunity to learn the basics of tennis while intermediates will have time to practice their skills with other players. Students will need to bring their own rackets and balls.

30. Comic Strips and Cartoon Making

Ashley Moore Gr. 3-5 WCS 8:30-11:00 amoore@windhamsd.org

Campers will explore the world of comic strips and cartoons. They will learn different techniques used by creators of comic strips and cartoons. Campers will also have the opportunity to work together combining the various comic strip techniques in order to create a final product. Students interested in doodling and sketching are encouraged to attend.

31. Robotics!

Rita Testa Gr. 4-6 WCS 8:30-11:00 rtesta@windhamsd.org

Come and be introduced to the exciting world of robotics with the robotic kits. Campers will complete training missions and learn to program their robot. Your robot will challenge the strength and intelligence of other robots in various competitions. It is sure to be a good time for all! (Robots will not be brought home.) There is an additional fee of \$10.00 for materials.

32. Novel Writing

Michelle McCorkle Gr. 6-12 WMS 8:30-11:00 mmcorkle@windhamsd.org

Have you ever dreamed of writing a novel? Here's your chance! Learn some techniques authors use to organize story ideas and create dynamic and static characters, memorable settings, and set the pace of your plot to keep readers hooked.

33. Musical Theatre Camp: The Little Mermaid

Nancy Fothergill Gr. 2-6 WHS 11:30-2:00 nfothergill@windhamsd.org

Join the fun on the Windham High School Stage! Take advantage of a nurturing environment where all students receive individual attention! Work on your singing, dancing and acting skills while preparing for a live performance at the end of the week.

34. Adventures In Appetizers!

Lisa Martin Ages 9-13 WHS 8:30-11:00 Lisa@Culinary-Capers.net

Students will learn to prepare a variety of bite size appetizers and desserts over the course of the camp. Students will be expected to read and follow directions, use knives, kitchen equipment, stove top and ovens during class. Class is offered to all students ages 9 to 13. As safety precaution we have several rules: long hair must be pulled back, closed toed shoes are required, no dangly sleeves and long shorts, capris or pants are recommended. The kitchen can get hot during the summer and we suggest bringing a bottle of water.

35. Guitar Basics

Joel Burdette Gr. 4-8 WHS 8:30-11:00 jburdette@windhamsd.org

This camp is for beginner and novice guitar players. Learn about the guitar and how to play it successfully. Students will learn about the parts of acoustic and electric guitars, and how to tune them, care for them, and change strings. Campers will learn beginner chords and strums, and how to properly practice to see fast improvement. Campers will learn several notes on the 1st 3 guitar strings. Campers also will learn how to read tablature ("tab") and where to find it on the web, as well as how to use the internet for free self-teaching guitar lessons. Campers must borrow or bring their own guitar to class (acoustic guitar with either steel or nylon strings, or an electric guitar with amplifier). Optional: bring a guitar tuner or spare strings, if you have them.

36. Cook Up Summer Treats!

Joel Burdette Gr. 3-5 WHS 11:30-2:00 jburdette@windhamsd.org

Cook, eat, and take home varied summer treats. Make hand-cranked ice cream in a churn, then stir in your favorite topping. Make self-hardening "shell" hot fudge sauce. Create beautiful edible fruit bouquet "arrangements" by scooping, chocolate-dipping (optional), and skewering fresh fruit. Bake delicious soft pretzels with a variety of toppings. Cook up a giant one-foot-diameter cookie, and write on it with icing. Learn kitchen safety, measuring and mixing skills, and practice using and multiplying recipes. Please notify instructor in advance of dietary restrictions/allergies. There is an additional fee of \$15.00 materials.

Monday, July 11th-Thursday, July 14th

37. Mr. Graff's Puppet Camp

Eric Graff Gr. 1-3 GBS 8:30-11:00 egraff@windhamsd.org

Campers will learn the basic puppetry skills as well as make several different types of puppets. There is an additional \$5.00 fee for materials.

38. Computer Playhouse I

Kelly Masiello Gr. K-1 GBS 8:30-10:30 kmasiello@comcast.net

This course is for the incoming first grader. Give your child an opportunity to meet others, engage in hands-on learning activities, interact with peers and browse many learning and creative websites. This is a great way to help them prepare for first grade. Let's have some fun...their journey has just begun!!!

39. Fired Up For Cheerleading

Lynn Dizazzo Prsch.-1 WCS 8:30-11:00 lynndizazzo@hotmail.com

Give me a C-H-E-E-R-L-E-A-D-E-R!!! What does that spell? Cheerleader! This is an exciting camp experience for active kids interested in learning a few cheers, stunts, dances and flips. This camp is designed especially for this age group with lots of cheerleading, dance and gymnastics activities as well as lots of fun and games. Camp is suitable for all ability levels-girls and boys with no cheer experience as well as returning campers or those with a cheer background. Be sure to join us on the last day of camp at our Cheerleading Spectacular Showcase for friends and family! There is an additional \$5.00 fee for materials.

40. Marble Madness

Linda Satkwich Gr. 3-5 WCS 8:30-11:00 lsatkwich@windhamsd.org

Make a long and complicated marble course. Use combinations of cardboard, ramps, metal tracks, plastic tubes, tunnels and duct tape. The goal is to create a chain reaction and keep your materials in motion for as long as you possibly can. Experiment and find out what you can make a marble do on its way through the marble course. There is an additional fee of \$5.00 for materials.

41. Intriguing Experiments: Is it Science or Magic?

Pamela Mansfield Gr. 3-4 WCS 8:30-11:00 pmansfield@pelhamsd.org

Do you love science? If you do then come join us for a great week of fun experimenting with science activities, incredible secret formulas, disappearing acts, and many other concoctions. This camp will challenge your mind with many hands-on activities that link science and imagination together!

42. Creative Arts and Crafts

Pamela Mansfield Gr. 1-3 WCS 11:30-2:00 pmansfield@pelhamsd.org

If you love making art projects and are very creative this is the camp for you! Art cultivates imagination and nurtures creativity. It also enhances problem solving and critical thinking skills. We will create many fun and exciting art projects while engaging all of our senses and incorporating them into our artwork. We will work with paper mache, tie-dye, model magic, and many other materials. Join us and have fun making many exciting art projects with friends!

43. Center School PE Favorites

Kyleigh Keating Gr. 3-5 WCS 8:30-11:00 laxattax11@juno.com

This camp is designed for boys and girls! Each day, the campers will be able to choose from games such as Capture the Flag, Kickball and Dodgeball. If the campers vote in another game, we can consider that too! Come on out and have some fun!

44. Beginning Field Hockey Camp

Kyleigh Keating Gr. 4-6 WCS 11:30-8:30 laxattax11@juno.com

This field hockey camp is a great way for beginners to try a new sport or to practice a sport that they do not know as well as they might like. At camp we will learn the basics of passing, shooting, dribbling, and rules. This will be a fun camp for girls who want to learn a fun, new sport they might want to play in Middle School and beyond! Sticks and goggles will be provided.

45. Model Rocketry 1A (Alpha)

Joel Burdette Gr. 3-5 WCS 8:30-11:00 jburdette@windhamsd.org

Design, build, spray paint, & launch your own Estes Alpha model rocket with parachute recovery and balsa wood fins. Launch it an impressive 1,000 feet high. The Alpha is the most popular model rocket in the world. Gain model-building skills as you build and customize your own model rocket. Learn about the science and physics of model rocketry. Learn about materials used to make and power rockets, and different rocket designs. See various recovery systems to help rockets land safely. Learn how and where to safely launch rockets. Construct a beginner-level model rocket, and learn to spray paint and customize it (wear old clothes for painting). At the course's conclusion, launch your rocket twice at Windham High School's fields, and keep it for future use. There is an additional fee of \$15.00 for materials.

46. Model Rocketry: 2 Stage with Payload

Joel Burdette Gr. 4-7 WCS 11:30-2:00 jburdette@windhamsd.org

Build, decorate, & launch your own 2-stage Estes "Solar Flare" model rocket with payload bay, balsa wood fins, and parachute recovery. Add an astronaut, plastic bug, or other item to the clear payload bay. First launch it as a single stage rocket, then sent it higher with it tapered, futuristic-looking booster stage. Gain model-building skills as you build and customize your own model rocket. Learn about the science and physics of model rocketry. Learn about materials used to make and power rockets, and different rocket designs. See various recovery systems to help rockets land safely. Learn how and where to safely launch rockets. Learn to spray paint and customize your rocket. At the course's conclusion, launch your rocket twice at Windham High School's fields, and keep it for future use.

47. Advanced Novel Writing

Michele McCorkle Gr. 6-8 WMS 8:30-11:3 mmccorkle@windhamd.org

Students who have taken Novel Writing I (last summer or this summer) will venture more in-depth with different writing techniques as well as the publishing process. They will also have the opportunity to work on their own novels in a supportive environment.

48. Digital Photo Albums

Mary Christie Gr. 5-Up WHS 11:30-2:00 mchristie@windhamsd.org

Don't know what to do with those old photos from the past or maybe you have a memory card or digital camera you would like to clear to use for future memories? Using the iMac and Mac based software, we will be creating digital photo albums using iMovie, iTunes and iPhoto. We will learn to incorporate pictures/videos from digital media, scan hard copy photos and add music and text!

49. Windham Baseball School

Derek Lee Ages 6-9 WHS 8:30-11:00 dlee@windhamsd.org

This camp is an opportunity for baseball players ages 10-12 to refine their skills while having fun! Windham High School Varsity Coach Derek Lee with assistance from former Atlanta Braves Scout Jim Bail, will teach campers not only the fundamentals of the game, but also the smart way to play the game. Windham High School players will serve as the campers' coaches. There will be a very low camper to coach ratio, which allows for more 1 on 1 instruction. Campers will also get the opportunity to participate in a game at the end of every day.

50. Caramba Soccer Camp (Monday-Friday)

Jorge Pardo Gr. 1-8 WMS 5:00-8:00 skillscamp@aol.com

Our emphasis is on "THEME" training sessions that will be introduced to the players each day. Topics such as Defending, Attacking, Possession, Positional Play, Goalkeeping, Finishing, and Skill Development are our main focus. Our diverse staff will provide the necessary teaching tools for the development of everyone at camp. A SEPARATE REGISTRATION AND PAYMENT IS REQUIRED, DO NOT SEND TO WINDHAM SUMMER CAMP! REGISTRATION FORMS ARE AVAILABLE AT THE WINDHAM SCHOOLS OR AT WWW.SOCCERSKILLSCAMP.ORG

Monday, July 18th-Thursday, July 21st

51. Photography I

Paula Renda Gr. 3-5 GBS 8:30-11:00 prenda@windhamsd.org

Take creative photographs while learning all about your digital camera. Students will learn what photographers "focus" on to get those award winning pictures. Campers will learn how to edit photos on the computer, choosing two photos among those processed to be placed in the annual gallery show at the Nesmith Library. Students must have their own point and shoot digital cameras. A field trip to Ritz Camera is always a fantastic time! There is an additional \$30.00 lab fee.

52. Photography II

Paula Renda Gr. 5-12 GBS 11:30-2:00 prenda@windhamsd.org

Students will learn all about what their digital cameras can do while focusing on the techniques photographers use to get those award winning pictures. Photography Two students will receive instruction based on their experience so beginners as well as advanced students can be in the same class. Students must have their own digital cameras, either point and shoot or digital SLR's. Students will learn computer editing and choose two photos among those processed to be placed in the annual gallery show at the Nesmith Library. A field trip is always the highlight of our week. There is an additional \$30.00 lab fee.

53. Music Fun-N-Games

Eric Graff Gr. 1-3 GBS 8:30-11:00 egraff@windhamsd.org

Action packed fun musical games and activities! Singing, dancing, xylophone, scarves, bodysocks, and puppets! A nice "sample" from all Mr. Graff's camps.

54. Computer Playhouse II

Kelly Masiello Gr. 2-3 GBS 8:30-10:30 kmasiello@comcast.net

Computer Playhouse II is for incoming 2nd & 3rd graders. It is back by popular demand as well! Interaction on laptops "playing" games of all sorts! Children will be allowed to print as well! Limited enrollment. Bring Lunch!

55. Girls' Night!

Lynn Dizazzo Gr. 1-3 WCS 8:30-11:00 lynndizazzo@hotmail.com

Sign up for loads of girly fun with this camp! During the week, we will explore all kinds of activities that make a playdate or sleepover a smashing success! We'll groove to some fun new dance moves, channel our creative sides with some funky arts and crafts, learn how to make kid-friendly and tasty party snacks, and play lots of fun-filled games! All campers will take home a treasure box at the end of camp filled with all sorts of new-found ideas—a CD for dancing up a storm, recipes for our party treats, directions for games and arts and crafts—all to enjoy with friends and family after camp!

56. Cartoon Drawing

Jaime Newell Gr. 5-8 WCS 8:30-11:00 fallingleaf999@gmail.com

In this course campers will be able to express themselves through cartooning and learn how to produce cartoon panels. They will learn different styles of cartooning, from the classic Disney to the popular Japanese manga style drawing. We will learn how to use lines, color, and shading to create compelling, funny, and well-crafted cartoons, whether it's one panel or an entire graphic novel. Perfect for the art student who loves to draw in their own cartoon style and wants to have fun with other artists!

57. Beginning Drawing

Jaime Newell Gr. 5-8 WCS 11:00-2:00 fallingleaf999@gmail.com

In this course campers will learn to draw from seeing. We will produce works of art using still lifes, outdoor landscapes, and people as inspiration while learning how to portray three dimensional form using traditional shading techniques. This is a perfect course for students who don't have much experience in artwork but want to learn, as well as for the more advanced art student who wants to practice these techniques even further.

58. T-Shirt, Tote Bag, and Pillow Case Designs

Linda Satkwich Gr. 3-5 WCS 8:30-11:00 lsatkwich@windhamsd.org

Design a new t-shirt each day! Designs will range from tie-dye, to bedazzling, to fabric paints, to embroidery, as well as other fun materials. Students will need to provide their own t-shirts. After the kids are done making t-shirts, we will have a surprise craft ranging from pillow case designs to tote bags. An additional fee of \$5.00 for materials.

59. Clay Designs

Linda Satkwich Gr. 3-5 WCS 11:30-2:00 lsatkwich@windhamsd.org

Using clay make various fun crafts. Create beads, ornaments, small dishes, figurines, small treasure boxes, or whatever else you can dream up. All this stuff can be taken home and will make great gifts for your family as well as friends. There is an additional fee of \$15.00 for materials.

60. Nature Explorers

Joel Burdette Gr. 1-3 WCS 8:30-11:00 jburdette@windhamsd.org

An early elementary exploration of the natural world: plants, animals, bugs, and pond life. Take nature walks and collect bugs & artifacts. Catch frogs & toads. Look at pond water & insects through a microscope. Make natural crafts to keep, including sun prints on photographic paper, a terrarium, and homemade "Chia" grass heads that grow living green hair. A field trip to a beaver pond by the high school gives a look at pond life, animal tracks, and a chance to catch a sunfish (instructor will cast the fishing rods, for safety). Join in an outdoor scavenger hunt. Pick and eat blackberries. Have fun learning about creatures great and small, while sharpening your observation skills.

61. Mountain Biking

Joel Burdette Gr. 4-6 WCS 11:30-2:00 jburdette@windhamsd.org

Learn about fixing, maintaining, and skillfully riding your mountain bike, on the trail and over jumps & an obstacle course. Join us for trail rides through the woods on local off-road trails. Take a field trip to ride the trails at Foster's Pond (at the Nashua Road athletic fields). Learn basic maneuvers to get around and over obstacles. Participate in skill-building drills and an obstacle course, including ramps and small jumps. You'll learn trail etiquette and how to be prepared with tools, map reading, and first aid. Get to know the parts of your mountain bike and how to maintain it. Clean and repair parts. Fix common problems, including fixing a flat tire on the trail. Enjoy bike rides and come away with some lessons to practice and a feeling of improvement in your riding and maintenance skills. Bring a helmet, bicycle in good working order (mountain bike is best; an off-road BMX-type bike is also okay), water bottle, snack, and hip or backpack. You may leave your bike at school (inside) for the week, if desired.

62. Flag Football Camp

Spencer Shaw Gr. 3-5 WCS 8:30-11:00 sshaw@windhamsd.org

Participants will learn the fundamentals of flag football including the rules of the game. Offensive and defensive plays and a variety of drills will be practiced on passing and receiving the ball and running and passing plays. Scrimmages will take place each day to practice new skills.

63. Net Sports!

Spencer Shaw Gr. 3-5 WCS 11:30-2:00 sshaw@windhamsd.org

This camp will incorporate the favorite competitive net games allowing campers to practice and develop their skills before they compete in a group tournament. We will learn the rules of the games and methods for developing skills for each level of participant. Sports include badminton, volleyball, pickleball and tennis.

64. Creative Arts and Crafts

Pamela Mansfield Gr. 1-3 WCS 11:30-2:00 pmansfield@pelhamsd.org

If you love making art projects and are very creative this is the camp for you! Art cultivates imagination and nurtures creativity. It also enhances problem solving and critical thinking skills. We will create many fun and exciting art projects while engaging all of our senses and incorporating them into our artwork. We will work with paper mache, tie-dye, model magic, and many other materials. Join us and have fun making many exciting art projects with friends!

65. Scrapbooking

Pamela Mansfield Gr. 1-3 WCS 11:30-2:00 pmansfield@pelhamsd.org

Join us for a great week of fun. Work with friends while creating a memorable scrapbook. Just bring at least 50 pictures and your creative thoughts. Photo albums, paper, scissors, and glue are all included. This camp could be the beginning of a hobby that will preserve your most treasured moments!

67. Beginning Lacrosse For Boys

Kyleigh and Chris Keating Gr. 3-5 WCS 8:30-10:30 ckeating@exeter.edu

Lacrosse is fast becoming a very popular sport! In this class, campers will learn skills needed for catching, throwing and stick handling. Once this is established, boys will learn specific game rules through relays and scrimmages. If your child would like to have a great time learning a new sport, this is the class to choose.

68. Petit Picassos

Melissa Coakley Gr. K-3 WMS 8:30-11:00 mecoakley@windhamsd.org

An art camp that explores a variety of art mediums-paint, collage, sculptures, and drawing-to create developmentally appropriate projects in a fun atmosphere. We will find inspiration in nature and music, movement and drama as we use our creative energy to make brilliant works of art in the styles of the masters! Our week will culminate in an art show for our parents. There is an additional \$5.00 fee for materials.

69. Petit Picassos II

Melissa Coakley Gr. 4-6 WMS 11:30-2:00 mecoakley@windhamsd.org

An art camp that explores a variety of art mediums-paint, collage, sculptures, and drawing-to create developmentally appropriate projects in a fun atmosphere. We will find inspiration in nature and music, movement and drama as we use our creative energy to make brilliant works of art in the styles of the masters! Our week will culminate in an art show for our parents. There is an additional \$5.00 fee for materials.

70. Cookie Camp

Mary Christie Gr. 3-6 WHS 11:30-2:00 mchristie@windhamsd.org

Learn how to bake your favorite cookie recipes! Using the high school kitchen, you will be able to learn the basics of being a great baker!

Monday, July 25th-Thursday, July 28th

71. Music Fun-N-Games

Eric Graff Gr. 1-3 GBS 8:30-11:00 egraff@windhamsd.org

Musical Stories! Body Socks! Mexican Hat Dance! Cupid Shuffle! Scarves! Sharks and Dolphins! Sign up for a week of musical fun!

72. Computer Playhouse I and II Computer Buddies

Kelly Maisello Gr. 1-3 GBS 8:30-11:00 kmaisello@pelhamsd.org

Computer Playhouse I and II is for incoming 1st through 3rd graders. It is back by popular demand as well! Interaction on laptops "playing" games of all sorts! Children will be allowed to print as well! Limited enrollment. Bring Lunch!

73. Amazing Animals

Donna Maroon Gr. 1-2 GBS 8:30-11:00 dlmaroon@windhamsd.org

Do you love whales, sharks, octopus and other amazing animals that live in the sea? If so please learn about these interesting animals with me this summer. The class will be a combination of science and art. BE ready for some hands on learning!

74. Movie Making with Green Screens and Computers

Ashley Moore Gr. 3-6 WCS 8:30-11:00 amoore@windhamsd.org

Students will explore the art of movie making, particularly focusing on the use of green screens. Students will make their own movie short using computer created backdrops, sound effects, etc. Much of the focus of this course will be on the use of computer created movies. Any student interested in "acting" and/or movie making are encouraged to participate. Students will receive their own copy of their movie.

75. Creative Writing and Poetry with Computers

Ashley Moore Gr. 3-5 WCS 11:30-2:00 amoore@windhamsd.org

Students will explore the elements of creative writing including characterization, plot, and setting. Students will also study the different elements of poetry such as onomatopoeia, alliteration, rhyme scheme, etc. Students will also learn how to create either a book of poetry or a picture book using Tik-aTok, an internet based program, which will allow students to create their own text and illustrations for their books. Upon completion of this, students will have the opportunity to purchase a hard or soft bound, high quality copy of their book. There is an additional \$20.00 fee for materials.

76. Beginning Basketball Camp

Spencer Shaw Gr. 1-2 WCS 8:30-11:00 sshaw@windhamsd.org

Come join Mr. Shaw in a skill developing basketball camp for all those beginners! Dribbling, shooting, passing along with defensive and offensive skills will be the focus of this fun filled camp! Learning will happen through the use of games and activities to help those beginners to learn the correct mechanics it takes to become a basketball player!

77. Beginning Basketball Camp II

Spencer Shaw Gr. 1-2 WCS 8:30-11:00 sshaw@windhamsd.org

Come join Mr. Shaw in a skill developing basketball camp for all those beginners! Dribbling, shooting, passing along with defensive and offensive skills will be the focus of this fun filled camp! Learning will happen through the use of games and activities to help those beginners to learn the correct mechanics it takes to become a basketball player!

78. Acting I

Melissa Coakley Gr. 3-6 WMS 8:30-11:00 mecoakley@windhamsd.org

Do you love acting and the theatre? Do you like to use your imagination to pretend you are another person in another place? Do people call you dramatic? This is the camp for you! We will explore techniques of acting such as voice, characterization and improvisation through theater games, movement exercises and creating and performing

79. Acting II

Melissa Coakley Gr. 5-8 WMS 11:30-2:00 mecoakley@windhamsd.org

Do you love acting and the theatre? Do you like to use your imagination to pretend you are another person in another place? Do people call you dramatic? This is the camp for you! We will explore techniques of acting such as voice, characterization and improvisation through theater games, movement exercises and creating and performing scenes. Parents are invited to watch us play our favorite theatre games and perform our scenes at the end of the week.

80. Middle School Coed Soccer Camp

Russ Leberman Gr. 6-8 WMS 8:30-11:00 rleberman@windhamsd.org

Middle School Boys' Soccer, what's it all about? Come and practice all those soccer skills and develop some new ones with Coach Leberman. Coach will help you to improve your agility skills, passing, dribbling, along with your defensive and offensive skills in this camp. Come and practice for your upcoming season no matter what team you participate in! Please bring mouth guards and water bottles.

81. Digital Photo Albums

Mary Christie Gr. 5-Up WHS 11:30-2:00 mchristie@windhamsd.org

Don't know what to do with those old photos from the past or maybe you have a memory card or digital camera you would like to clear to use for future memories? Using the iMac and Mac based software, we will be creating digital photo albums using iMovie, iTunes and iPhoto. We will learn to incorporate pictures/videos from digital media, scan hard copy photos and add music and text!

Monday, August 1st-Thursday, August 4th

82. Music Fun-N-Games

Eric Graff Gr. 1-3 GBS 8:30-11:00 egraff@windhamsd.org

Musical Stories! Body Socks! Mexican Hat Dance! Cupid Shuffle! Scarves! Sharks and Dolphins! Sign up for a week of musical fun!

83. The Magic of Science

Nancy Costa-Dallaire Gr. K-1 GBS 8:30-11:00 ndallaire@windhamsd.org

Would you like to be a scientist? We will have a wonderful week full of all sorts of experiments, crazy potions and fun with magnets! Come and join us if you are an incoming kindergartner or 1st grader.

84. Kindergarten Ready, Set, Go

Donna Maroon Entering Kindergarten GBS 8:30-11:00 dlmaroon@windhamsd.org

Nancy Dorman Entering Kindergarten GBS 8:30-11:00 ndorman@windhamsd.org

Ready, Set, Go was designed many years ago so that children entering GBS for the first time would have a week of summer camp that would make them feel comfortable with the school environment. Hundreds of children have taken this course and have entered the first grade or transition feeling confident and being a true member of the school community. Now that we have public Kindergarten in Windham, we have designed this course for all children entering Kindergarten in the fall. Each day presents a new theme, exposing children to reading, math, science, art, and music. Student will work in small and large groups at learning centers. Our goal is to develop listening and social skills that are important for a successful first year. Students will GET READY for their first experience, SET a positive image and GO forward to learn. Children who attended private kindergarten programs are welcome to attend this course as well. It may be a good way to introduce these students to our school!

85. Science Concoctions

Michele Borovich Gr. 2-4 WCS 8:30-11:00 mchelb68@yahoo.com

Have fun with science getting reactions: grow crystals, volcanoes, make a penny green and many more fun activities.

86. Get Up And Play!

Michele Borovich Gr. 2-4 WCS 11:30-2:00 mchelb68@yahoo.com

Start your day with fun games, let's play! Newcomb, whiffleball and kickball, a different activity everyday!

87. Spin It! Pop It! Launch It!

Frannie Greenberg Gr. 1-3 WCS 8:30-11:00 fmgberg@juno.com

A week of hands on science experimenting is the perfect way to spend part of your summer. Using common materials we'll make fascinating discoveries about how and why things spin. Make your own tops and learn what keeps them balanced. Popping caps and lids are just a few of the things that we'll explore while we learn about motion and chemistry. Make a catapult as we experiment with launching, flight, and how things move. You'll create a book of these experiments and have a new understanding of science in the world around you. Each day you'll take home your scientific creations to further your discoveries at home. Bring a snack and a drink and join the fun.

88. Spin It! Pop It! Launch It!

Frannie Greenberg Gr. 3-5 WCS 11:30-2:00 fmgberg@juno.com

89. Marshmallow Blasters, Science Tricks and Jokes I

Joel Burdette Gr. 1-3 WCS 8:30-11:00 jburdette@windhamsd.org

Have a blast doing amazing science tricks, and making fun and harmless practical jokes. Make 2 PVC mini-marshmallow shooters to keep: one for you, and one for a friend. Learn neat magic tricks, number tricks, and funny practical jokes. Impress your friends with tricks to perform at the lunch table. Make a packet of "rattlesnake eggs" to startle your family. Create a Mentos and Coke fountain. Customize your marshmallow shooter and try marshmallow target practice. Have a fun and safe marshmallow war. Be a spy and send messages using invisible ink. Watch a demonstration with dry ice. Use baking soda and vinegar to make a mini-explosion. Make gigantic bubbles. Experiment with air pressure and kitchen ingredients. You'll go home with a better understanding of scientific principles, and with fun science toys and tricks to impress your friends. There is an additional \$8.00 fee for materials.

90. Marshmallow Blasters, Science Tricks and Jokes II

Joel Burdette Gr. 3-6 WCS 11:30-2:00 jburdette@windhamsd.org

See course above for description.

91. Adventure Camp

Spencer Shaw Gr. 3-5 WCS 8:30-11:00 sshaw@windhamsd.org

This course will be directed towards adventure activities and games. We will find time to be on the rock wall, go outside on the nature course, and learn about reading and using a map. There will be plenty of troupe games and challenges within this course!

92. Theatre Camp

Melissa Coakley Gr. 3-6 WMS 8:30-11:00 mecoakley@windhamsd.org

If you love the theatre and putting on shows, if you love designing, drawing and painting, if you love telling stories and dancing - come to Theatre Camp! We will write a play, create the sets, put together costumes, AND act it out - all in one week!! We could do a fairy tale, your favorite story, or an original that we make up ourselves! This camp is always a blast and it ends with a performance for our families and friends!

93. How To Be An Explorer Of The World

Melissa Coakley Gr. 3-5 WMS 11:30-2:00 mecoakley@windhamsd.org

Last year this camp was called "Going Green" - but we realized that during that week of camp, we did more exploring and enjoying of the world around us than anything else. We went on nature hikes. We went bird watching. We made recycled art. We had scavenger hunts. We observed, collected specimens, and categorized like scientists. We read poems and wrote poems about what we found. We listened to music and danced. We made journals out of things we might have thrown away. We wrote short stories about the interesting lives of the tiny living creatures we encountered on our daily adventures. Overall, we had a lot of fun and realized the camp could be called "How to NEVER be Bored" or, as the campers last year renamed it - "How to be an Explorer of the World". Come explore with us!

94. Beginning Field Hockey Camp

Marge Leahy Gr. 5-6 WMS 8:30-11:00 mleahy@windhamsd.org

This field hockey camp offers both beginners and experienced girls the opportunity to try or perfect a sport offered at the Middle School. Such skills as dribbling, hits, passes and some game strategies will be taught. Plus playing games to use these skills are the most fun!! Sticks are available. Please bring mouth guards, sneakers and shin pads.

95. Field Hockey Camp II

Marge Leahy Gr. 7-8 WMS 11:30-2:00 mleahy@windhamsd.org

Please see course above for description.

96. Musical Theatre Camp: The Wizard of Oz

Nancy Fothergill Gr. 2-6 WHS 11:30-2:00 nfothergill@windhamsd.org

Join the fun on the Windham High School Stage! Take advantage of a nurturing environment where all students receive individual attention! Work on your singing, dancing and acting skills while preparing for a live performance at the end of the week.
