Assistant Principal

September 1, 2011

Dear Parents/Guardians:

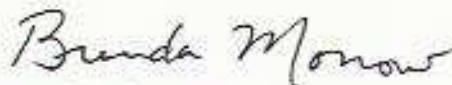

Please be advised that there will be some changes to dance dismissal. It has been advised by the Windham Police Department and the Highway Safety Committee that using Heritage Hill Road as an area for parent pick up at dance dismissal time can no longer be allowed due to safety concerns. Students will not be permitted to walk to Heritage Hill. The path leading to Heritage Hill Road does not have sufficient lighting. Students may not walk down to Golden Brook School for safety reasons as well.

All parents should pick up their students in the front of the middle school using the school parking lot.

We appreciate your assistance in these dance dismissal changes.

Daniel Moulis
