

## Meeting Minutes of the JLMC 6/13/23 @ WCS

**Meeting Called to order:** 9:00 am @ WCS

**Attendees:** Tom L, Jeff H, Jon C, Casey B,  
Nadine H, Dalisa G, Brend G

- 1) **Previous Injuries:** Winter slip and fall location changed to back sidewalk at GBS. Previous location was parking lot. Majority of injuries are student interactions.
- 2) **Building Checklist:** The current new building checklist needs following attention:
  - A) Hand Rail added to left side stage stairs.
  - B) Boiler leak to be repaired by Control Tech.
  - C) Back gym entrance needs to be cleared out.
- 3) **Discussion:** Ken will be present for next meeting to discuss student interaction injuries. Casey needs to pick out and submit order for new stair transport chair. Bar on café doors to be left off during operational summer hours. Fall training in vector to be adjusted for group lesson. QR code to be created for injury reporting. Back sidewalk resurfacing at WCS is in capital gains plan. Potential of SRO training on directing pick up and drop off traffic.

**Meeting Adjourned:** 9:37 AM
