Thursday, October 29, 2020

As of today, NH DHHS has confirmed no new positive COVID-19 cases within our student population. The total active COVID-19 cases within our student body is one (1) at Windham High School. The student who has tested positive for COVID-19 and their close contacts will continue to adhere to the required isolation (for those who are sick) or quarantine (for those who were exposed) time.

Additional highlights for this week:

- **Virtual Learning Days:** If you did not see my memo from yesterday (10/28) regarding Virtual Learning Days, please review that information and details provided here: [https://bit.ly/3mAbusC](https://bit.ly/3mAbusC) in order to properly plan. Your child’s school will also send out a reminder on what their virtual learning day will look like. I advise you to read it thoroughly for additional clarity on the virtual learning packs (grades PK-2) and the remote learning schedule (grades 3-12).

- **Upcoming Holiday Travel:** We are all looking forward to spending some time with our family during the upcoming holiday season. Like many other things this year, holiday events and travel may look a little different for us all. As a reminder, and based on the guidance from the state and CDC, if you have plans to travel outside of New England (CT, ME, MA, NH, RI and VT) you are required to self-quarantine for 14-days from the date you return. In order for our staff to properly plan, please notify your building level nurse by **Tuesday, November 24** if your child will be out and needs to self-quarantine. Your child will be able to continue to attend class remotely during their self-quarantine period. For more information on state guidelines for holiday travel please visit: [https://www.dhhs.nh.gov/dphs/cdcs/covid19/documents/employee-travel-guidance.pdf](https://www.dhhs.nh.gov/dphs/cdcs/covid19/documents/employee-travel-guidance.pdf)

Thank you for your patience and willingness to continue to take the appropriate measures in order to keep our school community safe and healthy.

Thank you,

Richard Langlois
Superintendent of Schools
