HOW WILL THE 2020-21 REMOTE LEARNING EXPERIENCE BE DIFFERENT FROM REMOTE LEARNING LAST SPRING?

SO WHAT'S THE DIFFERENCE?

2019-20 REMOTE LEARNING

Attendance
There was not a mandatory attendance policy.

Accountability
Students were able to hand in work late.

School Hours
School hours for learning were flexible and decided on an individual class basis.

2020-21 REMOTE LEARNING

Attendance
Daily attendance will be required and documented. Parents are responsible for notifying staff if students will not be in session.

Accountability
Students will be required to hand in work at the proposed deadline timeframe. Late work will be penalized.

School Hours
School Hours will be mandatory and will be the same expectations for participation and engagement for grades K-12.
# How Will the 2020-21 Remote Learning Experience Be Different from Remote Learning Last Spring?

## So What's the Difference?

<table>
<thead>
<tr>
<th>2019-20 Remote Learning</th>
<th>2020-21 Remote Learning</th>
</tr>
</thead>
<tbody>
<tr>
<td><strong>Grading</strong>&lt;br&gt;Students had the ability to accept a P/F on any subject or course.</td>
<td><strong>Grading</strong>&lt;br&gt;Standard grading policies will be reinstated.</td>
</tr>
<tr>
<td><strong>Technology</strong>&lt;br&gt;Multiple platforms were used by the staff which was challenging for parents/students to follow.</td>
<td><strong>Technology</strong>&lt;br&gt;Clever and Unified Classroom will be used to organize and streamline technology applications.</td>
</tr>
<tr>
<td><strong>Asynchronous Learning</strong>&lt;br&gt;Students were learning though primarily asynchronous learning which created challenges for students and staff.</td>
<td><strong>Blended Learning</strong>&lt;br&gt;Students will learn with direct instruction as well as asynchronous instruction. They will also follow the same school schedule that they would follow if in-person.</td>
</tr>
