**Note:**
- “In-Person” refers to students physically attending the school.
- “Remotely” refers to students participating via Zoom or similar platform.
- IEP = Individual Education Program.
Student Options for 2020-21 School Year

The school year will start for all students on September 9th (K-12) with a phased-in hybrid or full remote option. If you did submit the initial commitment form and selected the remote model but would like to choose hybrid, you are able to adjust your option by emailing Dr. Erin Hagerty at ehagerty@windhamsd.org by Wednesday, August 19. Specific details about Preschool will be forthcoming.

Full in-person (Option available to K-2 students)

Students will return to school with safety protocols being met including masks and a minimum of 3ft of social distancing maintained. Additional details on the flow of the day will be forthcoming.

Hybrid Model (Option available to 3-12 students)

During this time, students will follow a “Blended Model” schedule with student cohorts alternating in-person instruction with remote instruction every other day. This will allow students and teachers to experience the classroom setting and the remote setting.

Remote Learning (Option available to all students, K-12)

Students will be matched with a remote learning teacher and instruction will be provided using a platform such as: Unified Classroom, Zoom, Seesaw, FlipGrid, etc. If a student is not going to attend their remote learning school day, it is the parents’ responsibility to call the attendance line at their school, all work is due on the date it is assigned to be completed.
