

FY 22 Goals

1. Using the Casel Framework, Windham School District will implement social/emotional learning activities to increase the percentage of students falling within the typical or strength categories on the DESSA screener.
2. Provide a safe and healthy environment by recognizing and taking the appropriate steps to promote positive mental health for all.
3. In our continuing effort to acquire District NEASC Accreditation in 2024, the district will complete the following steps during the 2021-2022 school year:
 - Windham High School will become familiar with and begin to incorporate the new NEASC standards into our work.
 - Windham Middle School, Windham Center School, and Golden Brook Elementary School will complete the formal Self-Reflection and the Collaborative Conference.
4. Windham School District will adopt, evaluate, and monitor the implementation of the District Improvement Plan by adhering to the individual timelines established within the plan.
5. Maintain and strengthen our district's commitment to implementing our Multi-Tier System of Support (MTSS) by creating a K-12 Positive Behavior Interventions and Supports (PBIS) system.
